

# Video-Based Communication Assessment Pilot: End-of-Life Care and Opioid Prescribing / Pain Management

## Register Now. Limited Spots Still Available.

Hone your communication skills regarding End-of-Life Care and Opioid Prescribing / Pain Management by participating in MDAAdvantage's one hour Video-Based Communication Assessment (VCA) Pilot. The Pilot is open **May 6, 2019 through May 31, 2019**.

## The Video-Based Communication Assessment is a tool designed to help healthcare providers improve their clinician-to-patient communication skills.

The pilot will take about 1 hour to complete and can be accessed on any device— computer, tablet or smartphone. You will receive individualized, confidential feedback.

Register online at [MDAdvantageonline.com](http://MDAdvantageonline.com) or complete the form below and **send to Kolby Seidl** at [kseidl@mdanj.com](mailto:kseidl@mdanj.com) or **fax the form to 978-244-5111**. The VCA pilot is open to 100 physicians. Physicians who participate will earn 2 MDAAdvantage Risk Education Credits.
